

Becoming a Member

As a member of K2K you would join with other members to pray, raise money, or collect items for your peers in Russia.

Prayer Warriors!

The most important thing K2K members can do is pray for Russian children. Most of these kids don't have anyone praying for them so it is really important that K2K members pray hard for them to feel God's love!

Fundraising Fanatics!

You can do many different things to raise money or collect needed items for K2K. For instance, you might:

- Speak at your church or school about the orphans in Russia.
- Ask church members to fill a milk jug with spare change to buy milk for children in orphanages.
- Get your class to do a penny drive
- Collect used printer ink cartridges or cell phones to exchange for cash.
- Make and sell bracelets.
- Have a cupcake and cookie sale.
- Hold a walk-a-thon or book fair.
- Collect new or good-quality toys, socks, blankets, baby clothes, etc.
- Set up a giving tree at Christmas.
- Buy mittens and warm clothing for orphans at after-Christmas sales.

If you want to help babies, children, and young people in Russia and would like to become a member please call, email or write to the address below.

We can tell you more about K2K and even help you plan your projects. Once you tell us you are interested, we will send your group an official K2K T-shirt for display, along with a certificate of membership!

HELPING

Kids 2 Kids have a heart for their peers in Russia, especially orphans. One of the most important things they do is **pray** for the kids in Russia.

Fundraising helps buy school supplies and clothes for needy kids,

It also helps buy milk, fruit, and toys for children in orphanages.

KIDS IN RUSSIA

Vladivostok

There are many orphans in Russia. K2K helps them by raising money for food and by collecting things they need. The collected items are sent with missionaries to Vladivostok and handed out in the orphanages.
