Reviving the Catholic Church in Eastern Russia

June 15, 2025

Dear Benefactor,

Happy Feast of the Holy Trinity! I am so happy that last Sunday—The Feast of Pentecost—we had more people in church than ever before for Sunday Mass! **Every seat was taken** at the Russian language mass, and 50 parishioners attended the Vietnamese language mass! Wow! I hope we'll have a full church today, too! There are several factors, it seems to me. First, the springtime weather made it easier for the elderly to come to church. Secondly, the work our brothers and sisters are doing at the university is attracting foreign students, especially Catholics from Africa and Columbia—medical students! And maybe thirdly, the war in which even men from our state are dying. Maybe we will need to consider having two Sunday masses in Vladivostok soon! What we need most of all is priests! Thank you for supporting our seminarians! We are eagerly awaiting the ordination of our three deacons to the priesthood!

Maybe the new Romanovka church can look something like this? If we outgrow it, it could become the rectory or a family home and we would still have room on the land to build a bigger church next door.

Today is also the parish feast day of **Holy Trinity Parish in Romanovka**. I hope you had a chance to contribute to the 2025 Giving Day whose purpose is to raise money to build a small new church in Romanovka so that we can leave the chapel in the apartment building where the parish has been located so far. We simply need our own building there to increase our capacity and to make it easier to work with noisy children. If you didn't get a chance to help with Giving Day, it isn't too late. Just mark your donation **"Giving Day"**.

I am so happy about results at the **Nativity Parish** in Ussurysk and **Annunciation Parish** in Arsenyev, too. The new pastor, our Fr Vicky Samuel, C.J.D. has made a huge difference! Church attendance is more than tripled! And people are so happy with his beginning "Tea After Mass", so that parishioners can get to know one another.

They just had a parish

talent show, too, and Fr. Vicky did a solo on some kind of a Pakistani musical instrument. I didn't even know he was a musician! This is the first time he has been named pastor, and earlier—you may

recall—he ran the children’s retreats in Lesozavodsk. He mentioned to me that the Ussurysk parish car is nearly junk, so he’ll need a new car soon, as the distance between his parishes is a two hour drive. His work shows that it can be done, so we are hoping it will be a new day also for the Holy Trinity Parish in Romanovka once we can build its church!

Next Sunday is the Feast of the Body and Blood of Christ, but we in Russia couldn’t do it all without you, our Benefactors! Thanks be to you for your **donation and your prayers!** Be assured we will use your donation for the purpose you intended.

Wishing you grace and good health, and a happy summer, Yours truly,

V Rev Myron Effing, C.J.D.

P.S. We need more **mass intentions**, too! **To make a donation or order a Mass using your bank card, go here:**

P.P.S. In America we have a **new postal address!** Same office space, but now a post office box instead of a street address for mail. Mail is safer that way!
